VINTAGE COCKTAILS

OLD FASHIONED (1800)

Made with Templeton Rye Whiskey, Sugar Cubes, a Fresh Orange Slice and a Cherry, Composer Cole Porter wrote and performed a song in honor of this cocktail "Make It Another Old-Fashioned, Please" **8**

BLOODY MARY (1921)

Originally made with equal parts Tomato Juice and Vodka by bartender Pete Petiot of Harry's Bar in Paris, we recreate this classic with our house Bloody Mary mix and finish it with a Grand Jumbo Shrimp skewer and a beer chaser..... **12**

SIDECAR (1931)

Harry MacElhone created this drink for an eccentric military captain who was chauffeured to the bar in a sidecar, hence the name. Made with Presidente Brandy, Triple Sec and Fresh Lime Juice **7**

MINT JULEP (1803)

Originally a morning drink in the early 1800's and now a Kentucky Derby tradition, the Mint Julep became Churchill Down's signature drink in 1938 when they served the cocktail in souvenir glasses for 75 cents a drink. Made with Templeton Rye Whiskey, Sugar and Ice **9**

MANHATTAN (1870)

Made with Templeton Rye Whiskey, Carpano Punt E Mes Sweet Vermouth and a dash of Bitters, we offer this cocktail the way it was originally served in New York's Manhattan Club at a banquet given by Winston Churchill's mother in honor of presidential candidate Samuel J. Tilden **9**

MARGARITA (1930)

Originally made in Tijuana, Mexico for a Hollywood actress who claimed she couldn't drink any hard liquor without getting sick except for Tequila, we borrowed this recipe from our friends down the street at Fuego. Made with Tequila Casa Noble Blanco, Fresh Lime Juice and Shaken Tableside **9**

HARVEY WALLBANGER (1952)

According to legend Harvey was a California surfer who, after losing an important contest, consoled himself at a Hollywood bar with a "special" screwdriver (Vodka & Orange Juice) with a dash of Galliano liqueur in it. After several drinks, he tried to leave the bar but kept bumping into furniture and walls. His nickname became "the Wallbanger" and the famous drink was named **8**

TOM COLLINS (1800)

The original Collins was made between 1790 and 1817 using a Dutch-style dry gin. The Tom Collins became popular in the late 1800's when it was made with Old Tom Gin, a sweeter style of gin. Ours is made with Hendrick's Gin, Fresh Lemon Juice, house-made Simple Syrup, Club Soda and a Fresh Orange Slice **9**
